

CHICAGO CASE

Military style - Made in USA

HEPCO & BECKER

CHICAGO CASE

A must for every professional user. The CHICAGO CASE series. It combines all the features of a modern tool case such as storage space, functionality and robustness.

Whether as a universally applicable tool case, or as empty cases with foam insert for transporting heavy devices. The CHICAGO CASE adapts perfectly to any task. All CHICAGO CASE products come standard with Trolley and foldable handles.

Made in the US suitcases are made of extremely stable and shatter proofed HDPE material manufactured and provide by their surface texture with cross grooves best stability in extreme situations. Even the U.S. Army uses these cases for transporting.

CHICAGO CASE

Example from the
POLYTEX assortment

Example Wing

In the bottom shell of the CHICAGO CASE can also be very well equipped with bags from our product range.

The advantage: the bags can be good sorted and easily inserted and removed. Particularly suitable are the bags from the POLYTEX range or our WING`s. Also SKYBOX S can be partially used.

CHICAGO CASE

ACCESSORIES

Item no. **00 5590 8019**

TSA-Padlock for all CHICAGO-CASE-Cases

During custom-inspection in the USA every piece of luggage can be opened through the TSA-OFFICE (Transportation Security Administration) Locked luggage will be opened by authority. So the case could be damaged. To avoid this, so called TSA-locks have been developed. They can be opened and locked with a master key only from TSA-employees.

Item no. **00 5590 8000**
